# Technical Specification

## Riyom Sleek Collection

Riyom sleek collection is strongly recommended for all inside or backside applications of wall panels, storage cabinets & doors, shelves, counters, tables, cupboards, beds, racks, etc. due to its various advantages.

## Product Characteristics

The Riyom sleek collection protect the furniture from humidity and is the right balancing material. The Riyom Sleek Collection bonds well with all substrates due to its sanding property.

## Specification

The size of the sheet is 2440x1220mm

Thickness: 0.72mm, 0.82mm & 0.92mm

Finish: Premium Gloss, Matt or Suede Finish

## Storage

Please store the sheets horizontally with a thick board at top and bottom to avoid any damage. Vertical storing is not recommended for sleek Laminates. Protect it from water & moisture and never store directly on the floor or touching the wall.

## Maintenance

The Riyom Sleek Collection does not need any maintenance. It is easy to clean, just wipe with a damp cloth.

## Note:

Please do not use plywood with high moisture content, uneven surface and inferior quality as it will lead to air bubbles between the plywood and laminates. Insufficient quantity or inferior quality of adhesive will also lead to delamination or air bubbles. The Company will not entertain any complaint in this regard.
