- ### A LOOK AT HOW YOU CAN LOOK AFTER OUR LAMINATES
-  Do not place frying pans or dishes directly from the oven or cook-top on the Laminate surface. Protect the surface from heat generating appliances.
 -  Do not use knives, keys or other sharp objects directly on the decorative surface. A chopping board or counter saver is recommended.
 -  To clean the surface, use a damp cloth or sponge and a mild soap or detergent.
 -  Difficult stains such as coffee or tea can be removed using a mild household cleaner or detergent and a soft-bristled brush, repeat if necessary.
